→ WHY ARE HOLIDAYS AND TRAVEL ONE OF THE WONDERS OF THE MODERN WORLD?

Because back in the day people didn't know a lot about the world, they only knew where they lived. And the cars and trains and planes weren't that modern like they are now. Now you can travel around the world in so many ways, whenever you want. And you can travel wherever you want and see the most beautiful sides and places of the world.

GOOD: it is always a good idea that you can go somewhere, because you see different places, cultures and people. You can learn something new and meet new people. If you go somewhere where they don't speak the same language, you can learn theirs, you can eat new food and buy stuff that your country doesn't have.

BAD: you have to have a little money for sure, you can get lost or your language gets lost at the airport, you can food poisoned, and you can get in to trouble if you don't know people's culture and you do something that is very insulting to them.

# FEARS AND PHOBIAS

WHY DO PEOPLE GET PHOBIAS?

PHOBIAS ARE USUALLY THE RESULT OF A BAD EXPERIENCE.

HUMAN BEINGS ARE PROGRAMMED TO BE AFRAID OF THINGS THAT CAN HURT THEM. IT'S IN OUR DNA.

PHOBIAS CAUSES ABSOLUTE TERROR, RACING HEART, SICKNESS AND PANIC ATTACKS.

WHY DO SOME PEOPLE AND NOT OTHERS GET THEM?

SOME PEOPLE ARE MORE LIKELY TO GET PHOBIAS THAN OTHERS, IT'S IN THEIR GENES.

HOW DO YOU THINK THEY CAN BE CURED?

YOU HAVE TO TALK TO PEOPLE WITH PHOBIAS, YOU HAVE TO MAKE THEM RELAX AND YOU WATCH FILMS ABOUT THE THING THEY ARE SCARED FOR, AND IN THE END WE ASK THEM TO LOOK CLOSER AND TOUCH THE OBJECT.

THEY HAVE TO CONFRONT WITH THEIR FEAR!
